

Skylight Music Theatre
Sweeney Todd Rental Props
2015
414-299-4956 prop shop
lisas@skylightmusictheatre.org

Skylight's Sweeney **Barber chair rents for \$200 per week**; charges start when the chair leaves and end when it returns to storage. Round trip transportation is the responsibility of the renter. Skylight requires a certificate of insurance coverage (both for liability coverage and for replacement value in the event of loss or catastrophic damage) from all renters prior to letting any equipment out of our facility. Your insurance company can likely fax a certificate proving your coverage directly to the prop director at 414-291-7815 fax. For insurance purposes, we set a replacement value on the chair at \$3500.00. For new rental clients or in lieu of a certificate of insurance coverage Skylight requires a \$300.00 security deposit on our Sweeney Todd Barber Chair – refundable upon safe undamaged return of our rental equipment.

We do not allow rentals to travel in any open bed vehicles - no pickup or flatbed trucks, sorry for the inconvenience. Regarding pickup and return dates, weekdays between 9a and 4p are best for pickup and return. Special arrangements can sometimes be made outside those times for an additional fee to cover staff overtime.

Skylight's chair does have a rolling wood travel crate available. Use of the crate is essential if you plan to ship it on a freight truck for any reason. If you're planning on using a cargo van or large minivan sans seats, the chair can travel with moving pads rather than the wooden crate.

For freight transport purposes, the chair and travel crate together are approximately 300 pounds. The travel crate measures 55" long x 28" wide x 53" tall and is a rolling case.

Our Sweeney **trunk** for hiding bodies rents for **\$25.00 per week**. It measures 24.5" x 54" x 25" tall.

Our **butcher block with attached meat grinder** rents for **\$20.00 per week**. It measures 18" x 18" x 36" tall to top; 43" tall to top of meat grinder.
